“ Growing up as a child, every visit with Uncle Bob started with a "tickle fest" from his bushy beard. He brought much laughter and giggles. RIP Uncle Bob.

“ Bobby was always kind to me despite my being a "woman"...lol. I immediately saw through his gruff exterior to the kind-hearted man underneath. I still remember how much he loved Jackie, and she him. They are together now in a much better place than we are. I have fond memories of Bobby and Jackie, and was touched by their kindness.

I should say "rest in peace", but actually they are kicking up their heels and raising cain!

Blessings - Laura
