“ Mom, you always took care of us. I miss the German songs you would sing to us to help us go to sleep. My heart is heavy with grief. But I know your with Dad and born into eternal life. No more worries, no more pain. I will miss you greatly but your in very good hands. Thank you for all you could do for me. I love you so much Mom

“ Mom,

Not a day goes by that I don't think of you. My heart is heavy for my loss, yet at peace knowing you are reunited with Dad. RIP meine mutter, du wirst immer in meinem Herzen sein. Ich liebe dich!

“ Mom, I can't believe you are gone, it isn't real. I know you aren't suffering anymore and you are with dad and your family. Our lives will never be the same, you are what kept us together. I don't know what I am going to do without you. I love and miss you so much mom, I will never understand why.

Love Always,
Sonya
