“ I am so sorry for your loss. She was a wonderful friend to my mother, Aileen Hosick. I loved Hazel so much; I'm sorry I was out of town for her service. I would have loved to be there. Laura Hosick O'Connell

“ Motes Family
We want you to know our thoughts are with you all. Memories flood our hearts and minds as we think of your loving, sweet Mom. We have known her our entire lives. Our Mom, Connie Allen, and your Mom were dear friends forever.
My sisters and I worked many a Friday and Saturday night working with her at her wedding receptions. Carrying in all those glass punch bowls, glass cups, glass cake plates and of course the silver forks. Making frappe or punch, and cutting and serving cake. All those nuts and mints. And washing them all and packing them all back up on her big station wagon. Janice and I (Joanne) truly loved working with your Mom. I enjoyed the Boutiques where she would be making her magical cinnamon rolls and even helped her a couple times. I went to school with David and have always admired all you cowboys and cowgirls forever. You have shown the world how it's done! We lost our Dad in 2001, our brother Danny in 2006 and Mom in 2008. Life is precious and family is our world. No doubt there are some grand reunions up in heaven welcoming your Mom. May you feel our hugs of comfort and know our warm thoughts are with you at this time.
Joanne, Janice, Margie, and Judy Allen
