

## Karen Sue Snow

December 1, 1960 - September 4, 2020

Karen Sue Snow, age 59, passed away of natural causes on Friday, September 4, 2020 in Scottsdale, Arizona. She was born to Sally and Glennis Snow on December 1, 1960 in San Diego, California. She is survived by her brother Clinton Snow of Denver, Colorado and many loving cousins. She will be deeply missed by her cherished and lifelong friends, most especially “her boys”. Karen will be remembered for her love of dogs, especially Riley and Allie, the guide dogs she raised. She will also be remembered for her passionate commitment to Youth Connect, an at-risk youth group that paired animals with teens. Karen worked in marketing for University Hospital in Denver and organized many memorable fundraisers and events benefiting the hospital. Karen was an avid Softball and Baseball fan. Her love of the game, both as a player and spectator, will always be remembered, and mostly her hopes for the Rockies to win. Mostly she will be remembered for her generous and kind spirit, her compassionate giving and her endless desire to help others. She was an inspiration to everyone she met.

“ You will always be in my heart girlfriend. I missed you so much yesterday, you should have been sitting next to me for opening day of the Cardinal's game. You were so much a part of our lives. Family gatherings just won't be the same without you. My heart is broken.
