“ We have been providing service for Meldrum mortuary for at least 25 years and have always respected Mark Meldrum for his professionalism. We will always have fond memories of our conversations in the hallway making plans for a visit to France and appreciated his easy going family man demeanor. It is with sadness that we learned of his passing and wish to express our deepest condolences to all the family.

“ Mark was my link to Meldrum's Mortuary and thus to many friends and family, including my grandparents and many others, whose funeral arrangements were handled by Meldrum's. He always told me he had an oil painting done by my grandmother, Effie Phelps, hanging in his office and someday he was going to give it to me. Then later on he said he had a family member who wanted it, and that made me very happy to know Grandma's painting meant something to a member of Mark's family. He always had a cheerful smile and welcoming hand. My condolences to his family.
