“ My condolences to my familia Gonzales. Heaven has a new beautiful Angel looking over us. Robert was a wonderful person inside and out. One of the realest people I ever knew. I have so many memories growing up with Robert. All the travesuras, of course. As we got older our relationship got even stronger. As we got older, I loved all our conversations about music and life in general. I will miss you so much, Compa Robert. I will always have a special place for you in my heart. I saw you not as a cousin but as my brother. Give my Dad and Toyita a huge hug for me. You are so lucky to be with them and I will one day see you again. Love you!!!
