“ Sally was a good friend to me through the years. We enjoyed high school football games and dragging Main Street (the old days!). I loved spending time with her and her parents. Lots and lots of good memories. When I moved to Texas we still tried to keep in touch and would occasionally meet for fun trips like San Antonio, Galveston, Denver, Albuquerque and northern NM. She even visited me after I moved to rural MO in 2008. I'm thankful to have been her friend and am praying for her family and friends during your grief.

“ One of my favorite memories of my Aunt Sally was when she bought her brand new Ford Mustang in the early 70's! She had the coolest car that I'd ever seen and whenever she went anyplace I was always bugging her to go to so I could ride in the car and listen to the AM radio stations!

I miss you Aunt Sally but I am so happy that you are with Chuck, my mom and dad and grandma and grandpa.
